SUMMARY

Aspiring Software Developer and pre-final year B.Tech Information Technology student with experience in Front-End Development and UI/UX Design through internships. Skilled in Java, HTML, CSS, JavaScript, React.js, Node.js, MongoDB, MySQL, and modern development tools. Passionate about building responsive and user-friendly web applications, with strong problem-solving, teamwork, adaptability, and continuous learning abilities.

PROFESSIONAL EXPERIENCE

- UI/UX Designer Intern, Zoro Tech Pvt Ltd** 07/2025 – 07/2025
Nagercoil
During my UI/UX Design internship at Zoro Tech Pvt Ltd, I designed wireframes and prototypes in Figma, improved UI layouts, and collaborated with the team to enhance user experience and maintain design consistency.
- Front-End Web Developer Intern, CodTech IT Solutions** 06/2025 – 06/2025
Remote
During my internship, I developed responsive web pages using HTML, CSS, and JavaScript, improved UI layouts, fixed front-end bugs, and collaborated with the team using Git to enhance overall user experience.

EDUCATION

- University College of Engineering,Nagercoil, B.Tech Information Technology** 09/2023 – Present
8.3 CGPA (current) Nagercoil

PROJECTS

- Personal Portfolio Website**  05/2026
Developed a responsive personal portfolio website to showcase skills, projects, and contact information. Built using HTML, CSS, JavaScript, Node.js, and MongoDB, with deployment on Vercel and Render. Designed an intuitive and user-friendly interface optimized for seamless performance across different devices.
- Real-Time Chat Application**  05/2025
Developed a real-time chat application using Node.js, WebSocket, HTML, and CSS, enabling instant message exchange between users. Implemented real-time communication features and designed a responsive user interface to provide a smooth and interactive chatting experience.

COURSES

- Full Stack Development Masterclass, NoviTech R&D Pvt Ltd** 12/2025 – 01/2026
Completed an intensive training program covering front-end and back-end web development concepts, including HTML, CSS, JavaScript, React.js, Node.js, databases, and modern development workflows. Gained practical knowledge in building and deploying full-stack web applications.
